

## Internship USA Program Offer

### Real Estate Appraiser Program Boston, MA

#### Host Company Description:

This host company is one of the oldest national commercial real estate valuation and consulting firms in the U.S. With office locations in Boston, Chicago, Miami, and San Francisco, they are able to provide truly full service to the entire U.S. region. Since 1946 they have provided appraisal services and consulting to prominent and trusted financial institutions. They are looking for an inspired individual who is excited about learning more in the real estate world.

#### Position Description:

- Manage and complete multiple appraisal assignments in a timely manner while still ensuring the highest level of quality on a variety of different property types
- Utilize Argus and Excel to create financial models and analyze data in order to value properties
- Research market trends by gathering regional commercial real estate data (lease, sale, investment criteria, etc.)
- Effectively communicate and collaborate with clients, commercial brokers, asset managers, and other real estate professionals

#### Applicant Qualifications:

- To apply for the Internship program, you must be an undergraduate student of **business** OR a recent graduate starting the program within 12 months of graduation
- To apply for the Trainee program, you must hold a **bachelor's degree in business** and at least 1 year of work experience OR be a career professional of 5 or more years in related field
- Applicants must speak advanced English
- Proficiency in Excel analysis and strong math skills
- Strong interest in consulting, urban planning, economics, and/or real estate development.
- Excellent quantitative and communication skills
- Intuitive problem-solving and critical thinking capacity
- Ability to effectively balance multiple responsibilities in a fast-paced environment
